

Mast Foot Bracket made of Stainless Steel 316

Our versatile mast foot bracket is not only ideal for our screw mast but can also be used with masts that have an internal pipe diameter of 41mm, 45mm, and 47mm! Internal pipe diameter for rigging tubes is 18mm (for standard stainless-steel tubes with an outer diameter of 21mm or 22mm).
Weight ca. 1.6 kg.
